**Be a part of this year's Torah Mining Project:** select a Torah portion to study and then discuss with the congregation on Shabbat morning. Available portions/dates are listed here. Please contact Rabbi Joshua ([rabbijoshua@ohavizedek.com](mailto:rabbijoshua@ohavizedek.com)) if you'd like to sign up so that you and he can discuss what's involved in preparing a *d'var* Torah. We are eager to hear varied voices on Torah. Please join in this study and conversation.
